Administrative fees support The Community Foundation of Northwest Missouri's mission-based operations. The Community Foundation is a 501(c)(3) organization.

This administrative fee schedule applies to funds at The Community Foundation of Northwest Missouri. The fees, used exclusively to support The Community Foundation's mission, are your investment in a public charity dedicated to increasing charitable giving and connecting donors to community.

Funds range in size from a few thousand dollars to tens of millions of dollars. The fees stated above are the annual fees; fees are charged to the fund monthly based on the average fair market value of assets. For newly established funds, the minimum annual fee is prorated over the remainder of the year.

All funds are managed by Commerce Trust Company for the benefit of The Community Foundation of Northwest Missouri. Funds may be charged for extraordinary direct expenses incurred on behalf of a specific fund, such as commissions for the sale of contributed stock. The Community Foundation may request additional fees for extraordinary services such as special grant processing and review or other non-standard services.
