What We Do

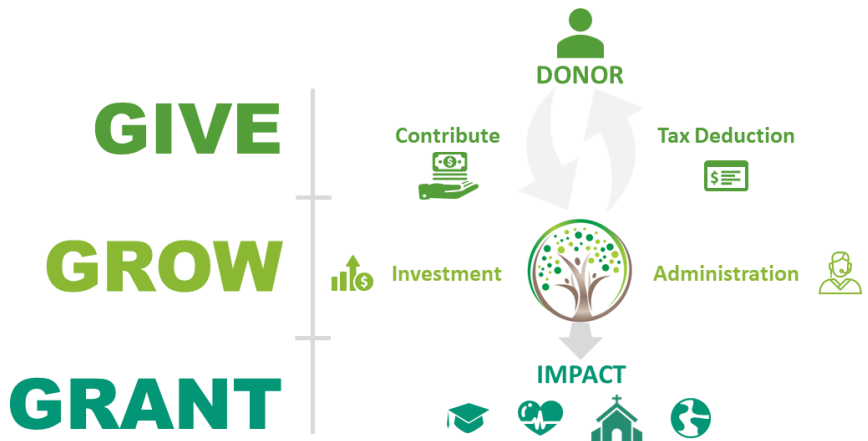

**Set up,
invest,
and administer funds
to drive prosperity
in Northwest Missouri.**

Why We Do It

The CFNWMO is not just about funds and donations; it's about legacy, hope, and a brighter tomorrow. We believe in the compounding effect of giving, where every contribution sows the seeds for a thriving community. Our mission transcends transactions; it's about building a future where the next generation can flourish. Because in the end, it's not just about giving back—it's about moving forward, together.

HOW IT WORKS

Starting a fund offers mutual benefit for you, and your community. When you **GIVE**, or donate to your fund, you immediately receive a tax deduction. While in your fund, your assets have the opportunity to **GROW** as they are strategically invested, potentially amplifying their impact. Finally, at your discretion, you **GRANT** your donations to the causes you care about leaving a lasting legacy that drives positive change in your community forever.

*We help people who believe in Northwest Missouri give to the causes they care about,
increasing the quality of life in their community forever.*

TAX BENEFITS

Donations to your fund offer immediate tax deductions, optimizing your taxable income for the year.
